Opus 1:

We have recently transitioned to a new management platform – OPUS1. This system is an excellent tool for our office staff, parents, students, and prospective families, allowing us to manage communication and billing more efficiently. We have included another letter in your packet to help walk you through setting up your OPUS1 account.

Monthly Tuition:

30-minute lesson/month \$90.00

45-minute lesson/month \$135.00

60-minute lesson/month \$180.00

Lessons are offered on a month-to-month basis, with no long-term contracts or minimum enrollment requirements. The studio operates on a 48-week annual schedule. Tuition rates remain consistent each month, regardless of the number of weeks in that month.

Tuition payments are due during the first week of each month. Cash or check is accepted for in-person payments. **Beginning November 1, 2025**, automated payments through OPUS1 will also be available. Please ensure your account is set up prior to that date.

Materials Needed:

Students may purchase their required music books directly through the studio.

Each student is expected to have their own spiral notebook for weekly lesson assignments. This notebook helps keep the student, parent, and teacher accountable for the material covered in each lesson.

Students will also need a metronome for at-home practice. There are several free metronome apps available for phones and other devices. If you need assistance selecting one, please speak with your teacher for recommendations.

ABC's of Student Expectations:

1. **Arrive** on time – not early, not late
Attendance is necessary to assure progress.

(Often, there is another student scheduled before each lesson. Please be considerate and come in at your scheduled lesson time. Please text if you are going to be late.)

2. **Bring** ALL needed materials to lesson
3. **Continue** to practice assigned material covered in lesson

Missed Lessons and Cancellation Policy:

If a student is aware in advance that they will be unable to attend a scheduled lesson, please notify the studio office or the teacher as soon as possible. We kindly ask that you avoid scheduling other appointments during your regular lesson time whenever feasible.

In some cases, missed lessons may be rescheduled either in person or online through FaceTime or another video communication platform. Teachers may also provide a recorded video lesson, accessible through the Opus1 platform.

Please ensure consistent communication with your teacher. Credit will not be given for late arrivals or missed lessons without prior notice.

During inclement weather or illness, lessons may be conducted online, using available virtual platforms. Makeup lessons or video alternative may be arranged at any time during the semester, subject to teacher availability. In certain circumstances, group makeup sessions may also be scheduled.

Recitals:

Students present 2 recitals a year – Fall or Christmas and Spring (May or June).

First year student participation is optional.

Recitals are held at Prince of Peace Lutheran Church in Martinsville.

Summer Sessions:
