The holiday season is here, and we are excited for all the wonderful things happening at Woodridge Music Studio! With our Christmas recitals just around the corner and several festive community events on the calendar, we are looking forward to a season filled with music, celebration, and meaningful memories. We are so proud of our students and can't wait to see them share their hard work and bring a little extra Christmas cheer to our community!

As we move into this busy time of year, we would also like to extend our sincere appreciation to our families for your continued patience and understanding as we transition back to Quickbooks for billing and payments.

We truly appreciate your continued trust and support and wish you and your families a blessed holiday season!

Ms. Wood became a Mimi (x3 now!) this past month! Her son and his wife welcomed their first daughter, Laurel. And what kind of Mimi would Ms. Wood be if she didn't introduce her to the piano?!
